Don't forget, next Monday night, October 2 at 7 p. m. Visitors welcome.

Flower Shop Interesting

Spot on Dolores Street

Carmel has an interesting little spot in the flower shop belonging to Anne Nash and Dorothy Bassett on Dolores. These ladies beat the high cost of flowers by raising their own hardy blossoms up in North Carmel, but have to purchase their hot-house blossoms. Not only the glass enclosed room is fragrant from the many varieties, but they overflow into the patio and one or the other of the proprietors may nearly always be seen there working with them. It is indeed a nice place to drop into and has been in that one location for the past five years.

N. R. A. Workers to

Continue Weekly Meets

Carmel's N. R. A. workers will continue their weekly meetings to be held each Friday night at 8 p. m. in the old auditorium at Sunset.

According to Mrs. Daisy Bottick, they have found that meeting together, talking things over, reporting difficulties they encounter and planning their work, make for the accomplishment of much good.

It is urged that all who are interested meet with the committees. They have met with wonderful response from Carmel housewives and will continue their efforts.

Talks were given at the Carmel theatre, one each night for ten nights, but these have been discontinued with the showing of a 3-minute picture each night by the theatre telling of N. R. A. work. The committees is very grateful for this valuable assistance.

Don't forget the date, Friday at 8 in old auditorium at Sunset school. You will enjoy the meeting.

Pretty County Park

In Rear Legion Hall

Did you know that there was a fine little park just back of the Legion Hall in Monterey?

Mr. Goerling, who is connected with that institution, was a caller at the Sun office Monday and told the editor he would like for the people to know about this little beauty spot, which belongs to the county, but which has mostly been brought up to its present state by unemployed veterans.

There are barbecue pits, tables, lavatories and everything to take care of picnic parties and all free.

If the place should become popular enough, it is likely that money will be appropriated by the county for more improvements, which would in turn make more work for the veterans. Why not visit it, and see what you think of it. You will be welcomed by the Legionaires who are at the hall.

Notice, Writers

Will all those who intend registering for the fall term in short story, please call Denny-Watrous at 62.

An attempt is being made to learn whether Monday night classes will suit the majority of registrants.

This course in writing may help you sell those stories which are hidden away in your trunk.

Bruce Fox, teacher, is an expert on technique. Your story may lack some little thing which keeps it from selling. Call Denny-Watrous for particulars, and please leave your name there, if you intend to take the fall term.

Carmel Sun joins in best wishes to the new firm.

Ruth Wilson Will Give

Recital at Gallery

Ever since her sportmanship in going into the ranks of the orchestra and playing in the last row of the "firsts", Carmel has wanted an opportunity to hear Ruth Wilson in recital. Some are planning to go to San Francisco to hear her when she plays for Pro Musica on the second, but there is no need to leave Carmel, for Miss Wilson will play in the Denny-Watrous Gallery on Saturday evening, October 7, in a joint concert with Corinne Frederick, pianist.

Don't forget the date—September 29 at 8:30 p. m., at the Presidio bowl. Seven fights and every one a good one.

Speeding Car Puts

Making a short turn to avoid collision with a speeding car, Usell, driver of a truck belonging to Fleming & Brown of Monterey, ran into a telephone pole on Carpenter avenue Tuesday morning.

The driver of the speeding car did not stop and his identity is unknown.

Pretty Wedding at

Del Monte Chapel

With Miss Dorothy Benson and Harry Hilbert as the contracting parties, a wedding of interest will be solemnized this Thursday afternoon at four o'clock at Del Monte chapel with the Rev. T. Harold Grimshaw officiating.

The young people will be attended by Mrs. Helen Ricketts as matron of honor and Arthur Hilbert as best man, and only relatives and intimate friends will be present.

Miss Dorothy is a daughter of Mr. and Mrs. L. L. Benson and is very popular among Carmel's younger set, and also popular with all who know her. She is a graduate of Monterey High, and for some time has been employed in the Carmel Dairy.

Harry graduated from high school in Paso Robles, afterward attending Fresno State, but for the past few years has been an employee of the Bank of Carmel. He too is exceedingly well liked and respected.

The newlyweds will live on Lincoln between Eighth and Ninth at the Bable house and will be at home after a two weeks' trip south.

All Carmel joins in wishing happiness and long life for this young couple.

Frank Dalton Fights

at Monterey Presidio

Frank Dalton, Carmel boy, who is matched to fight Bob McPherson at the Presidio bowl is in hard training and will enter the ring in good shape, according to his manager Jack Dalton, also his father. This is Frank's first fight in a big ring and Carmel fans are going over the hill in droves to see their home boy battle. McPherson is favored to win but he will have to fight it as does as Dalton throws plenty of leather and is both tough and game.

Gene O'Grady (Leo Storm) fights Homer Brandles in the wind-up. It should be a good fight as both men have fought wind-ups in all the big cities on the coast.

O'Grady, fighting under the name of Storm, knocked out Batling Bone in the Presidio ring a month ago and the post has gone to a lot of expense to import a man to beat him. O'Grady says they will have to get a better man than Brandles as he will KO him in a couple of rounds.

Buck Anderson and Rusty Westman in the semi-final should put up a whale of a battle.

J. E. Mitchell is bringing over the cream of his stable. Big Mitch handles the best string of fighters on the coast.

Flashy Bud Naulty mixes with Kid Mice. At 112 pounds Naulty should win as he is faster and hits harder than the little brown doll from Salinas.

Don't forget the date—September 29 at 8:30 p. m., at the Presidio bowl. Seven fights and every one a good one.

A Carmel Music Society post-season recital of unique interest

is the concert of Michel Penha, cellist, in the Denny-Watrous Gallery this coming Saturday evening September 30, at half-past eight o'clock.

Mr. Penha has very generously consented to give this concert to meet the deficit with which the Music Society finds itself left after its season of eleven concerts. Not only the society, but the public is delighted, for requests for the opportunity to hear Mr. Penha in his own art, as cellist, are steady and constant. Ralph Linsley will accompany, and this also is cause for satisfaction and anticipation.

Tickets may be secured from any member of the society board, or at the Denny-Watrous Gallery. As the number of seats is limited to two hundred, and many are already gone, those interested had best immediately purchase their tickets.

Maston's Premiere

Will Be Good Show

Never has a play been as much our own as is "The Devil Who Saw God." Besides having a Carmel man for author as had "Amaco" every actor is local.

May Revolutionize

Way Fire Fighting

According to Fire Chief R. G. Leidig, the new method of fire fighting will revolutionize things in that line. While the officers of the departments of the county were meeting a few days ago, Colonel Baker, who has been giving them a series of lectures, demonstrated the new way of turning the water to a fog by a very high pressure. He stated that it had been proved that only a very small amount of water would put out an immense fire when used this way. Carmel's equipment is adequate for the new method.

Charles Fisher of the Highlands has been chosen as superintendent of training in this district and Captain Anderson of Salinas will be his assistant.

Attorney Ross and wife, recent arrivals from Merced, are living at the Sutton Place.

At the same time, it was stated that prices received by producers of raw materials, particularly farmers, are falling.

COAST BUSINESS HELD PROMISING

California's business activity continued through August for the most part at considerably higher levels than at this time last year, according to the current Business Outlook published by Wells Fargo

HEADLINES SAY: BUY NOW

Mr. and Mrs. Buyer

The National Recovery Administration has asked manufacturers and merchants to shorten hours, add help, raise wages. This, they said, would place more money in circulation. Well, the manufacturers and merchants are doing their part. NOW, it is up to you, Mr. and Mrs. Buyer. IF YOU SPEND A DOLLAR NOW—the sooner will business return to normal conditions.

It is not economy to delay YOUR buying any longer. Heed the warning of the headlines. The story is plain—tomorrow may see a rise in the very article you should BUY NOW!

And, of course, you need to know just what Peninsula merchants have to offer in bargains . . . and the simplest and easiest way is—to consult the advertisements in the Carmel Sun.

HERE'S A TIP—Subscribe for the Carmel Sun and receive a FREE dollar-membership in the Peninsula Orchestra.

Mr. Merchant . . .

Are you reaching ALL the prospective buyers of your merchandise or service? Are you telling Mr. and Mrs. Buyer that YOU HAVE SOMETHING THEY NEED AT A FAIR PRICE?

Why not keep these buyers informed about your store, your goods, or your service! There are many ways to do this, but the more profitable way to reach the buyers of Carmel and vicinity is—to use the Carmel Sun consistently as your advertising medium.

Perhaps you may have some difficulty in preparing your advertising properly. If so, just call "70" and a representative of The Sun will call and gladly help you. No obligation, of course. It is simply a part of our service.

Thompson. Mr. French, Sr., is the brother of Mrs. Clara French Kennedy of Carmel.

There are fourteen children in Carmel Valley attending Monterey High School. The transportation for this number of pupils is quite a problem.

Mrs. Page of Sutter County is staying at the home of Tom Meadows during his wife's absence at the hospital. Mrs. Meadows is expected home next Monday.

The Fruit Association of Carmel Valley met last Monday at the home of Bernard Schulte to discuss among other things prices that were offered for the crop of Winter Nellis pears. Along with everything else the farmer who shipped his fruit last year, came out, many times, on the wrong side of the ledger. This year it is hoped that by careful planning on the part of the association such things will be avoided. The price offered for these well known pears was not what might be called a fancy one, in fact far from that, still a good many of the orchardists felt that it allowed a small profit and that was better than none. However a good many, perhaps half of those in the valley felt that they would rather wait for something better. Pears from Carmel Valley are shipped a long way off, many being sent to France. Roy Meadows is president of the Carmel Valley association and Bernard Schulte manager.

The Home Department of Farm Bureau meets next Tuesday at the home of Mrs. Bernard Schulte. Miss Olsen will not be present. Mrs. J. C. Anthony will take charge in her absence. The subject will be "Tomato Juice."

Dr. Cluen, who is at Santa Barbara Cottage hospital for treatment, is improving somewhat, according to Mrs. Cluen who has been here for a few days this week looking after business interests.

Sales Tax Head Is Visiting Region

First payments on the sales tax by retail dealers will be due October 1st and taxes will become delinquent, October 15, according to George G. Radcliffe, sales tax director for this region, who was in Monterey this week.

Highlands Fire Department Does Some Fast Work

A false alarm given on the Highlands fire department's practice night inspired some fast work for the volunteer members last Wednesday. Someone thought it would be a good idea to see how fast the boys could make it to the Point Lobos barn and telephoned in a fire alarm. With Jack Eaton at the wheel and seven others including Henry Morales to cheer him on, the truck arrived and equipment was in place five minutes after the alarm was received.

Managers of Mandarin Room Highly Pleased

A visitor to the Mandarin Room at Ocean View Hotel in New Monterey any evening will see a crowd of young people enjoying the dancing and the Chinese food.

Messrs. Farrell and Burkholder are delighted with the reception of their venture and much pleased with the way the young folk of the peninsula deport themselves.

Called to Piedmont By Death of Nephew

Col. and Mrs. Ilya Jadovskoy were called to Piedmont last week by the sudden death of Lucius Norris, Jr., a nephew of Mrs. Jadovskoy.

Just Anything

By Just Anybody

We'll wager a man in Monterey is still wondering who spoke to him the other day. We happened to be in the Pet Shop on Alvarado when a parrot was trying out his vocabulary. "Hello," he said, as two apparent strangers passed the door. One man turned and looked back at the other, with a surprised, "O, Hello!" Ha, ha, ha," screeched the parrot. And "Ha, ha, ha," said we.

And speaking of Carmel being different: A visitor to our fair city asked Mr. Barnett, genial host at the Homestead, why Carmel had such a thing as a prosaic siren on the fire truck. "I suggest a harp," he said.

One of the peninsula's many advertising solicitors was moved to tears Monday morning. After being out for three hours and hearing nothing but hard luck tales, he beat it into solitude for a good cry. "I just have a quarter," he told the last business man he talked to, "but I'll give you that."

Lotsa Pennies.

We told a friend the other day that the tax on another friend's new car was \$26.00. "That many pennies!" she breathed in astonishment.

Mr. Parsons, of the Parsons Antique shop on Monte Verde, had duplicate keys for his car, all right. But he carried them all on the key ring he used daily. And he lost the key ring!

Add Us To YOUR Good Habits

It was said of a famous American that he cultivated the HABIT of success. This set us to thinking about our local citizens who seem to have made success a habit. We began to name them to ourselves... suddenly it dawned on us that most of these successful men are carefully groomed—are particular about such an important item of appearance as a haircut. To get the RIGHT haircut, they make a habit of coming to our shop.

THE FIGHT OFF THE HIGHLANDS

By Ben Phillips

A real old timer of the western seas

Told us one day
Of an ocean fray
That lasted, he judged, an hour almost,
And it began,
So quoth this man
Not very far out from the Highlands coast.

This seafaring man who knew the wild seas
Had steered his boat
Where the icebergs float,
Or sweated 'neath palms on a tropical shore,
"But never," said he,
"On land or sea
Had I ever watched such a battle before."

He firmly bit on the stem of his pipe
As he smoked and said,
"The water was red
Around where the deep sea monsters fought,
For they fought with skill,
To die or to kill,
And I marveled at the damage they wrought."

"And one was a fish with a cutting sword
That pierced his foe
When he struck his blow,
And the other lashed back tho' horribly speared,
For he was the whale
With the lashing tail
That finally gave up and disappeared."
